

## INSTRUCTIONS FOR ONLINE CREDIT COUNSELING

If you decide that you would like to take the credit counseling online and if you have high speed internet and speakers on your computer, here are the instructions.....

Go to [www.hummingbird.org](http://www.hummingbird.org),

- click on Bankruptcy Certifications,
- then After Bankruptcy,
- then select Texas, Submit,
- then I Agree at the bottom of the page,
- then Video Summary Sheet and print out a copy for use during the counseling
- then Start the Education
- Write Down the Video Number on your Summary Sheet
- Click the Arrow Button to Start the Video

Follow the onscreen instructions, to watch the video units. You can pause the video at any time. There should be one “secret” word per unit. You may need to click on MENU at the top right of the screen to advance to the next section of video.

When you have completed the counseling, be sure and write down your control number and bring it to us. There is no need to fill out their Application. We are an authorized user and will print your certificate from here. Your district is the Eastern District of Texas.

The video is 2 hours in length. Control # \_\_\_\_\_
